Thank you for your inquiry regarding membership in ***Little Ships Fleet Yacht Club***. Please complete the attached membership application if you are interested in joining us.

While there are other yacht clubs that are bigger with grander facilities and services, we feel that, since 1937, we occupy a cozy corner of the Long Beach yachting community that may be just the right size, the best experience and with the least expense to you.

We generally require new members to actively participate by attending meetings, helping other members with a club activity setup, or participate in race committee operations. We feel this is the fastest way to meet other members and learn more about the club.
