Ahoy Little Shippers...

With the summer season officially underway, we've already shared some fantastic moments on and off the water.

Volunteering at the Congressional Cup

This month began with a special honor—I had the opportunity to volunteer at the prestigious **Congressional Cup in Long Beach**. Known worldwide as one of the premier

match racing events, the Congressional Cup brings together top-tier professional sailors for five days of intense, head-to-head competition in Catalina 37s. Hosted by Long Beach Yacht Club, the event is celebrated not just for its world-class racing but also for its spirit of sportsmanship and community involvement. As a volunteer, I got to witness the excitement up close and be part of the behind-the-scenes activities that makes this regatta so extraordinary.

Birthday Bash & Happy Hour Potluck

Back at the Shed, we continued the good vibes with our monthly birthday and happy hour potluck. Members brought an array of delicious dishes to share, and we raised our glasses to celebrate all the April & May birthdays. Thanks to R/C **Ruth De Raddo** for hosting this event. Photos p. 5.

Chair Yoga with NYCLB

The next day, we hosted our first joint wellness event with NYCLB —a relaxing and energizing chair yoga session led by our very own member and LSFYC Secretary, **Sharmone La Rose**. Though it was a small group, the participants enjoyed a refreshing workout with the most fantastic view from the lawn of the Navy Yacht Club. See p. x.

Reach to the Beach - Race Recap

Our signature early summer race, *Reach to the Beach*, was a resounding success! Though the race started off with barely a whisper of wind, the our nine determined entry teams stayed the course. Mother Nature finally delivered a steady breeze mid-race, allowing crews to show their true colors and competitive spirit.

Congratulations to **Team Raptor II** for taking home first place in PHRF A, followed by **Team Renegade** led by LSFYC's S/C **Ben Smith** in first place in PHRF B. It was an impressive showing all around! Post-race, nearly 50 members, crew and friends gathered at the shed for a festive BBQ hosted by our very own Vice Commodore **Dominic**. His handcrafted burgers were grilled to perfection and paired beautifully with a refreshing homemade watermelon salad and freshly baked cookies. Thanks to S/C **Frank Franco** for providing the Committee boat *Cantamar*, to Jr S/C **Chris Layne** for being our CRO, and to the committee boat crew-new members **Dave & Gabby Bierman**, with **Lou Arambula** and myself. California Boater Card - NYCLB Joint Event

In partnership with our friends at NYCLB, we hosted a successful joint event to help members meet the new California Boater Card requirement. Thanks to Captain Julie Coll, who led an engaging and thorough review session, attendees were well-prepared for the test. With her guidance, everyone walked away with a better understanding of safe boating practices—and peace of mind knowing they're in full compliance with state regulations. See photo below.

A heartfelt thank you to everyone who helped make May another memorable and successful month at the club!

Hello Little Shippers!

May marked the beginning of warm weather racing and LSFYC started the season off with entering and a strong showing at the *Walt Elliot Challenge* taking 3rd place overall. LSFYC members **Allie Tsai, Mark Ryan, Nick Santos,** and of course S/C **Chris Layne**

were instrumental in the club's success on the water (see photos p. 5).

The LSFYC May 31 Reach to the Beach after race BBQ Burger Bash was a lot of fun and I would like to thank all the racers, crew, members, and officers that helped make it such a success. Our next Beat the Heat race event is Saturday, July 12th, so keep an eye on your email for the timing of the BBQ! You can enjoy the view of the finish line as the racers cross right in front of The Shed, and of course there will be plenty of food. It's the perfect opportunity to bring friends and family down and show them what the sailing community is all about!

With the warm weather finally arriving, we will also be hosting move events at The Shed. Movie nights, potlucks, happy hours, and BBQ's, so if you see an email from any of the LSFYC officers don't forget to read it! As always, I welcome any suggestions for events or parties or activities that you would like to see happen at the club. Is there a particular movie we should screen? Is there a lawn game we should play? Reach out any time and let me know!

Look forward to seeing you all at the next event.

Hi LSFYC Shippers...

We are Halfway Through the Year – And Full Speed Ahead!

May ended with a few more YC Opening Days, so much fun to visit other clubs and meet new fellow yachters.

Summertime is here. The shed is the ideal place to breathe in the coastal breeze and welcome the sunshine and good times.

Reminder: Please sign in the visitor book when visiting the shed and make sure the door is properly locked (to lock the door, just press any button and wait for the lock).

Looking Ahead:

Father's Day is: Sunday, June 15th, 2025

Big Bang on The Bay is back, Thursday, July 3rd, 2025. Fireworks Show Start Time: 9:00 PM. Be sure to get to the shed early as there will be much traffic.

Our wonderful yacht club has the best position in the whole area to see the fireworks going off almost right about us.

The next **Birthday Happy Hour Potluck at the shed is Sat June 21**. If you are interested in volunteering to host this event, please contact me at lsfyclb@gmail.com. Hosting is simply opening the shed, bringing a dessert and greet the attending members.

"Friendship is not one big thing: it's a lot of little things"

Hello Little Shippers!

We have Chair Yoga classes coming up this summer at the Navy Yacht Club. In addition to being secretary of Little Ships Fleet Yacht Club I am a Yoga instructor who teaches Chair and Gentle Yoga in South Bay.

Navy Yacht Club is offering a Chair Yoga session on June 28 and July 12 at 10:30 AM. You are welcome to join the class. It will be outdoors at the club.

A light brunch will follow. Wear comfortable clothes. There is a suggested donation of \$5 for the class. Chair Yoga is a nice way to begin moving with stretching and exercises that will build your strength. We do adaptive poses in the chair and then some standing positions using the chair for support. Breathwork and relaxation techniques are part of the experience.
