2018

The "Long Beach Harbor Series" (LBHS) is hosted by "Little Ships Fleet Yacht Club" (LSFYC), "Navy Yacht Club Long Beach" (NYCLB), and "Shoreline Yacht Club" (SYC). All races take place in Long Beach Harbor. LBHS will consist of six races and have two throw outs. **The series is designed to encourage competition, camaraderie and the free exercise of FUN for all participants.**

RULES: These races will be governed by The Racing Rules of Sailing 2017-2020 (RRS), the rules of the classes sailing, the Sailing Instructions of the Host clubs, and this Notice. In the event of a conflict this Notice shall prevail. PHRF Local Area C "RLC" course handicaps shall be used.

ELIGIBILITY: The races are open to all members of SCYA recognized Yacht Clubs and Sailing Associations and members of any One Design Fleet that establishes a class. A minimum of four (4) yachts is required to establish a One Design Class. If less than four yachts of a One Design Class are entered, they shall be reassigned to one of the other classes. Yachts wishing to compete but not holding a current valid PHRF rating will be assigned a rating **FOR THIS SERIES ONLY**. All yachts entered shall comply with USCG regulations.

Classes will be established based on entries submitted for the first race on March 31st. There will be two PHRF classes Designated A and B, one Adjusted Handicap Non-Spin Class and One Design Classes as needed. Yachts wishing to enter the Adjusted Handicap Non-Spin Class must fill out and submit the "**Adjusted Handicap Non-Spin Class Work Sheet**", available on the host club's website, or at the host club along with the Entry Form to obtain a rating for this series only. Once this rating is established it shall remain the same for the entire series, **unless equipment changes are made i.e. larger Jib, Mylar Main etc. Double headsails will not be allowed in the Non-Spin Class.** Yachts with a ULDB rating of 2.1 or higher will not be eligible to enter the Non-Spin Class. YACHTS WITH CORINTHIAN RATINGS ARE CONSIDERED NON-SPIN ONLY FOR THIS REGATTA AND WILL NOT USE ADDITIONAL RATING ADJUSTMENTS PROVIDED IN THE AHNS WORK SHEET.
